It will be Lithuanian Rally Sprint Championship sixth stage, and the Latvian Rally Sprint Championship sixth stage, because the third year in a row this rally is included in Latvian Automobile Sports Federation events calendar. Thus, traditionally principled struggle among the two countries sportsmen will continue in this year. Organizers this year prepared more challenging track route, consisting of 9 special stages. The crews racing mode will have to overcome 64,40 km, and the whole rally route has increased to 198 kilometers. Like last year, the ceremonial rally start provided in Mažeikiai. Around Mažeikiai sportsmen will have to overcome two different special stages, one of them - twice. Other stages will be the traditional rally sprint sections around Vieکشniai, but in one of them race was held the last time a several years ago. In addition all the sections will be somewhat modified. Service Park provided in traditional place - Mazeikiai Polytechnic School, Vieکشniai subdivision. Rally headquarters, as always, will be located in Vieکشniai municipality. By the way, this year the rally participants awaits another innovation - will not a break and will not a complete regrouping, but only contraction of start order before entering the Service Park. Friday, August 26, all crews will have the opportunity to test their technique in a whole new 4.10 km long Shakedown. From 17:00 till 18:30 there will be reconnaissance, and from 19:00 will start racing drives. Test Stage for each crew can be driven 3 times. Shakedown end - 21:00.

On Saturday, August 27th, from early morning all the crews traditionally will have the opportunity 2 times to pass all stages to familiarize themselves with the route, and already 14 hours in Mazeikiai alongside the "IKI" supermarket (Seda str.) will be carried out solemn Rally start. By the afternoon crews will have to overcome four special stages, which will account for about one third of the race distance. Then awaits a half hour technical restoration works in the service park and five special stages in the afternoon. Of the nine special stages, which will have to overcome the sprint rally participants, four will repeated, and one shall be driving at once. The rally finish in the evening, start of the last stage - 19:18 hrs, and after 20 minutes the first crews will be meet in Vieکشniai municipality square. 21:30 there will be held a solemn Awarding ceremony and free festive concert.

We invite sportsmen and rally fans to arrive to this interesting traditional rally. Observe the race will be available for free, but most importantly - do not forget your own and others safety. We wish a good race for sportsmen and for spectators unforgettable impressions.
